GOLF ON LANAI

- **Arrival:**
 - When you arrive on Lanai, you will get off the ferry and go to the right.
 - There will be shuttle busses waiting.
 - There will be a podium set up where someone will collect \$10 ground transportation fee. Take note, you will need to pay for this with a credit card.
 - From the harbor, you will be shuttled to either The Lodge at Koele or Manele Bay Hotel, depending on which golf course you are playing.
- **Important to Note:**
 - If you are playing both courses, you will be playing The Experience course first.

- The key is you need to be finished on The Experience by 12:55pm. The shuttle that runs in between the courses leaves on the top of each hour. You may be done before noon. If so, you should catch the 12:00 shuttle to The Challenge.
- **Food:**
 - There isn't a restaurant at The Experience at Koele.
 - If you finish your first round before noon, you should take the 12:00 shuttle to The Challenge and have lunch at the clubhouse restaurant.
 - If you take the 1pm shuttle there are a couple of options for lunch.
 - 1) you can bring your own
 - 2) you can order a sandwich from the snack cart at The Experience
 - 3) There is a menu at the first course for the restaurant at the second course. You can pre-order your lunch and it will be ready when you get there.
- **Second Course:**
 - After lunch, check-in with the pro shop at The Challenge and play your second round.
 - After golf, there are locker rooms where you can freshen up (showers are available).
 - The van will take you down to The Four Seasons Manele Bay Hotel. You will have 30 to 45 minutes. The bellmen will watch your bags. You may want to enjoy a cocktail by the pool.
- **Departure Back to Maui:**
 - At 6:15, the van leaves the hotel for the harbor. The ferry leaves at 6:45 and you arrive back on Maui at 7:30pm.
